ABOUT SAGRA GROUP

The Sagra Group is a corporation doing business in the fast moving consumer products sector. Established as a family company that dates back to 1936. It is the manufacturer of important brands in the country that appeal to people from all age groups, such as Tadelles, Sarelles and Gols.

Acting in compliance with high standards for health and safety at the production facilities, the Sagra Group manufactures its products in Ordu in the Black Sea Region, which is home to the richest hazelnut farms in the world. The plant operates with high standards on an area of 60,000 m² The manufacturing capacity is 30,000 tonnes per year.

Our products do not contain trans fat, colorants or preservatives, and the sugar contained in these products are obtained from sugar beet. They do not contain sugar like fructose or glucose and only contain real chocolate. Instead of nature identical aroma, actual vanilla is used in our products, which makes them different than the other products in the sector.

The company offers delicious products to consumers with with Tadelles, a chocolate and wafer brand with lots of hazelnuts and a dense chocolate taste; Sarelles, a chocolate spread and wafer brand; and Gols, a delicious and fun chocolate-covered dragée brand.

As of 2021, Sagra, together with the brands Tadelles, Sarelles and Gols, has been working under the OYAK Group, one of the long-established companies in Turkey.
